

SHUDY CAMPS ANNUAL PARISH MEETING - 24 MAY 2021
REPORT FROM NEIGHBOURHOOD WATCH CO-ORDINATOR

We are fortunate to live in a low crime area but crimes do happen so there is always need to be vigilant.

If you see anything you consider to be suspicious including vehicles please report as soon as possible to 101 and if you believe a crime is being committed call 999. And now we have our WhatsApp community help/chat groups we can rapidly alert our neighbours.

Lots of information can be accessed on the Neighbourhood Watch website and suspected fraud, scams and other suspected crime can be reported online to Cambridgeshire Constabulary.

For a recent, local report please see Lindi Kent's report in the May issue of the Camps Review.
